Dear Sir or Madam,

I am writing to you as we are currently carrying out a review of cases at the pre-application stage on the [Planning Inspectorate's National Infrastructure website](#) in order to support our future resource forecasting models.

It appears that no significant action has taken place on this project for some period of time, and as such, it is extremely unlikely that the application will be submitted in the near future.

Therefore, it would be extremely helpful if you could provide an update to confirm:

- a. Whether the Applicant still intends to submit the application;
- b. If so, any estimated timescales for doing so;
- c. The point of contact (with their details) for this project.

Following receipt of this information we will update the project page on our website.

Alternatively, if the Applicant no longer intends to submit the application, please provide written confirmation that the project is withdrawn; we will then remove it from the National Infrastructure website in due course.

I look forward to hearing from you.

Yours faithfully

Karl-Jonas Johansson
