Dear Sirs

The Drax RePower Project
The Planning Act 2008 – Section 47 ‘Duty to Consult Local Community’

Thank you for consulting North Yorkshire County Council and Selby District Council (the Authorities) on the Statement of Community Consultation (SoCC). This response is on behalf of both Authorities.

The Authorities welcome the approach taken by the applicant in their SoCC. We understand that all statutory requirements have been met and beyond that made efforts to engage all members of the community thoroughly.

We accept the changes outlined in the letter from WSP dated 23 November 2017.

Further to that letter and subsequent conversations we confirm that we understand your intention to include the SoCC Notice within the Yorkshire Post which covers the inner and outer consultation zones. In addition, we understand Drax RePower proposes to include ‘display adverts’ notifying the public of forthcoming exhibitions in the Yorkshire Post, the Press (York) and the Selby and Goole Times.

We are happy that this approach will conform to the Statutory Requirements under Section 47 of the Planning Act.

We look forward further consultations as the application progresses.

Yours faithfully

Michael Reynolds
Senior Policy Officer (Infrastructure)
