For the attention of Michele Gregory, Case Manager, Drax Re-Power Project Team

Dear Ms Gregory,

The applicant's Consultation Report dated May 2018 is a very comprehensive account of the various and numerous statutory and non-statutory publicity and consultation exercises which, in this authority's opinion has addressed and exceeded the statutory minimum requirements. The pre-application process with this authority has been timely and all-encompassing and although work continues and there is a desire to move closer to an agreed Draft DCO, this local authority is satisfied in terms of local community consultation and publicity and that the Applicant has complied with all of its duties under the 2008 Act and having regard to the PINS Advice Note 2 - on the role of local authorities in this process.

Please treat this response as Selby District Council's reply, as a 42(1)(b) authority, to the Adequacy of Consultation Request dated 30 May 2018.

regards

Paul Edwards
