**EMAIL FROM ROY SYKES, PLANNING MANAGER (DEVELOPMENT)**

Dear Sir/Madam

I apologise for the delay in responding.

I can confirm that prior to submission the project team for the applicant was in extensive contact with the Council to advise on the future proposal and to discuss matters for inclusion in the ES – specifically Landscape and Visual Impact Assessment Viewpoints. The applicant considered additional viewpoints that were suggested and these were built into the parameters of the study. As such, I can advise that Doncaster MBC consider the adequacy of consultation to have been carried out satisfactorily.

Kind regards

**Roy Sykes BA MA MRTPI**
