Dear Mr Doyle

## **Application by Drax Power Ltd for an Order Granting Development Consent for the Drax Re-power Project**

### **Procedural Decision**

In relation to the notice given by the Applicant of the forthcoming hearing to be held on 4 October 2018, the Examining Authority (ExA) has made a procedural decision to direct the Applicant to carry out its duty in accordance with Rule 13(c) of the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) no later than 13 September 2018.

Rule 13(6)(c) states that unless the ExA otherwise directs, the Applicant must not later than 21 days before the date fixed for the commencement of a hearing – '(c) *publish a notice of the hearing by local advertisement in the area in which the proposals contained in the application are to have effect.*'

By undertaking this duty from 13 September 2018 the Applicant provides 20 days' notice before the date fixed for the commencement of the hearings in respect of the notice published in a local newspaper. Please note that, in accordance with Rule 6(a) and (b), the site notices and other public notices will be posted 21 days before the date fixed for the hearing.

This procedural decision does not affect the examination timetable in any way.

Yours sincerely

*Michele Gregory*
