Dear Jim

MOD Safeguarding – SITE OUTSIDE SAFEGUARDING AREA

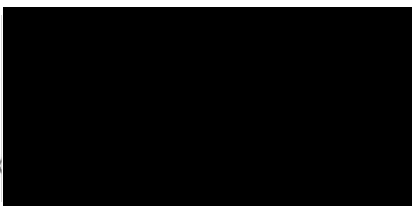

Proposal: Proposed repower of up to two coal fired units to gas together with battery storage at Drax Power Station

Location: Drax Power Station, Selby, North Yorkshire YO8 8PH

Thank you for consulting Defence Infrastructure Organisation (DIO) on the above proposed development. This application relates to a site outside of Ministry of Defence safeguarding areas. I can therefore confirm that the Ministry of Defence has no safeguarding objections to this proposal.

I trust this adequately explains our position on this matter.

Yours sincerely

Jill Roberts
Assistant Safeguarding Officer
