Dear Sirs

**DRAX POWER**

Unfortunately, I do not have my IP number but I am the occupier of the land to the North East of the Power Station required for laydown and Car parking, together with the reserved areas for Carbon Capture project. I will forward this number tomorrow but wish to submit this letter in order to meet the deadline of 11.59 on 26<sup>th</sup> September.

I may wish to participate in the debate in the OFH on Thursday 4<sup>th</sup> October at Goole Leisure Centre, solely regarding Drax's request for unlimited Compulsory Purchase Powers.

Yours faithfully

Richard Watson
