Dear Mr Allen

(Examination Procedure) Rules 2010 - Rule 8 (as amended)**

**Application by Drax Power Ltd for an Order Granting Development Consent for
the Drax Re-power Project
Your Ref: EN0100091**

Examination Timetable and procedure

Thank you for your letter of 11 October 2018 outlining the timetable for the above examination. As is referenced in appendix A (3), Historic England has agreed a Statement of Common Ground with the Applicant, which is to be submitted as part of the examination. This follows detailed pre-application discussions between Historic England and the Applicant, Drax Power Limited, and their consultants regarding the potential impact of the proposals on the historic environment. We gave advice on the scope of the Environmental Impact Assessment and preliminary archaeological investigations, which was followed by the project team and this is captured in more detail in the Statement of Common Ground. We therefore do not wish to make further written representation at this time.

Yours Sincerely

Emma Sharpe
