Dear Mr Leigh

The Drax Power (Generating Stations) Order 2019
Reference: EN010091 - Request for Correction Order

Further to the Secretary of State's decision to make the above Order on 4 October 2019, on behalf of Drax Power Limited ('Drax') we have reviewed the form of the Order as made.

In doing so, we have identified within the Order a small number of what we consider to be correctable errors.

In light of the identification of these errors, this letter and its enclosures constitute a written request on behalf of Drax to correct these errors, pursuant to paragraph 5(a) of Schedule 4 to the Planning Act 2008.

Enclosed with this letter are:

1. a table setting out the errors that have been identified, the reason why we consider that each constitutes a correctable error, and a suggestion of the correction to be made; and
2. for your assistance, a copy of the made Order with the proposed corrections shown.

If you would like us to prepare the draft Statutory Instrument authorising the corrections set out in this application please let us know.

If you have any questions on any of these documents or this request as a whole, please do not hesitate to contact us at richard.griffiths@pinsentmasons.com and thomas.edwards@pinsentmasons.com.
