Dear Ms Williams

**Planning Act 2008 (as amended) – Section 55
Application by Thurrock Power Limited for an Order Granting Development Consent
for the Thurrock Flexible Generation Plant
Adequacy of consultation request**

Thank you for your letter of 29 May 2020 concerning the above proposal.

I have considered whether the developer has complied, in relation to the application, with the three specified duties in the Planning Act 2008, listed in your letter.

Planning Act 2008 S.42: Duty to consult

I confirm that Brentwood Borough Council was notified in October 2018 and replied on 6 November 2018, and therefore raised no objections to the similar request for comment in our letter dated 2 March 2020. Therefore, regarding notifying this authority about the above development, I consider the applicant has discharged the responsibility required under S.42.

Planning Act 2008 S.47: Duty to consult the local community

Brentwood Borough Council is not a local authority within section 43(1). I offer no comment concerning the duties under this section.

Planning Act 2008 S.48: Duty to publicise

I offer no comment concerning the duties under this section.

I trust that this information is of assistance to you.

Yours sincerely
