

Planning Act 2008

**The Infrastructure Planning (Applications: Prescribed Forms and Procedure)
Regulations 2009**

Certificate of Compliance with Section 56 of the Planning Act 2008

Thurrock Flexible Generation Plant

I hereby certify that, in compliance with the requirements of section 56 of the Planning Act 2008:

- (a) Notice of the accepted application was given to the required persons identified in accordance with Section 56 in July 2020;
- (b) A copy of the accepted application and accompanying documents and information was made available to the required persons; and
- (c) The accepted application was published in the required manner

In relation to the application for an order to grant development consent for the Thurrock Flexible Generation Plant at the location of north of the existing Tilbury National Grid substation, south west of Station Road near Tilbury, Essex, British National Grid reference coordinates: TQ662766.

The deadline date for all representations to be received by the Planning Inspectorate under Section 56 was 18th August 2020.

(Completed certificate to be received by the Infrastructure Planning Commission no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a), (b) and (c) above.)
