Dear Sir/ Madam

**Planning Act 2008 (as amended) and The Infrastructure Planning
(Examination Procedure) Rules 2010 (as amended) – Rule 17 Request for
Further Information**

**Application by Thurrock Power Ltd for an Order Granting Development
Consent for the Thurrock Flexible Generation Plant**

The purpose of this letter is to provide you with an update on the progress of the application by Thurrock Power Limited for the Thurrock Flexible Generation Plant and to issue a request for further information from all Interested Parties, Statutory parties and Other Persons.

The public health situation caused by the COVID-19 pandemic continues to affect social movements, public gatherings and work practices and may continue to do so during the Examination. At the same time, activity in the economy remains crucial, and businesses are adapting their procedures and ways of working to allow continued services and productivity.

The Government recognises the importance of progressing the consideration and determination of applications for development, including Nationally Significant Infrastructure Projects (NSIPs), and consequently the Planning Inspectorate has been exploring ways of protecting public health while allowing the examination of the project to proceed in an open, fair and impartial manner.

To this end, I am exploring the possibility of conducting the initial meeting, known as the Preliminary Meeting (where I will consider how the application should be examined) and subsequent Examination events, either partially or wholly without the need for public gatherings. Any such changes to the established approach will be made in the context of the Examination being principally a written process, and with full regard to the applicable legislation, Government guidance and the Inspectorate's purposes and values and its Customer Charter, available at:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/607141/charter_final_eng.pdf).

Questionnaire

Under Rule 17 of The Infrastructure Planning (Examination Procedures) Rules 2010, in order to progress with the Examination of this application, I am requesting information from each of you about your availability and capability to engage with the Examination remotely, including the use of virtual events. My specific questions are set out in this questionnaire:

https://forms.office.com/Pages/ResponsePage.aspx?id=mN94WIhVq0iTIpmM5VcIjU8PZq-El-VOuO_Nsibbv19UME9XWDBUQzVJU0hOV0hIRzRSTkVORE5aNi4u

Your responses will help me to decide:

- the format and arrangements for the Preliminary Meeting;
- what Hearings will be held; and
- what the arrangements and preparations for those Hearings will be.

Given current circumstances related to COVID-19, people may need to access events from their home, rather than their workplace or a public place. Please assume this to be the case. Could each person who may wish to speak at, or observe, the Preliminary Meeting and any Hearings complete the questionnaire.

I would be grateful for your response to this request by **Sunday 13 September 2020**. Whilst there may appear to be a lot of questions, please be assured of the importance of obtaining your answers. I consider it crucial to hear your views on the way in which the application should be examined and they will help me to finalise my arrangements in due course.

This is an information-gathering exercise only. No date has yet been set for the Preliminary Meeting. The responses to the questionnaire will not be published as they are considered to relate to practical matters around the timing and organisation of Examination events and do not constitute submissions on the merits of the Proposed Development. As such, they will not influence my recommendation or, ultimately, the Secretary of State's decision.

I look forward to receiving your response to the questionnaire in due course.

Yours faithfully,

Rory Cridland
