Dear Tracey

Please find below filetransfer link to the Applicant's submissions for Deadline 3:

[REDACTED]

The Applicant submitted an updated dDCO at Deadline 2 seeking to address drafting points raised in relevant representations, first written questions and through the ongoing discussions with IPs. In order to allow other parties an opportunity to consider and respond to those changes, the Applicant has not submitted a further draft at this deadline as that draft would pre-empt any deadline 3 comments rather than respond to them. The Applicant will submit a further dDCO at deadline 4.

The Applicant is not submitting an updated CA Schedule at Deadline 3, as there have been no changes subsequent to the information submitted at Deadline 2.

Attached to this email are digital copies of the Notice of Hearings published on 1st April 2021 in two newspapers local to the development site.

Finally, for the avoidance of doubt, I can confirm that the Applicant wishes to speak at all hearings on all matters and will provide contact details of those attending on behalf of the Applicant as soon as possible.

Best regards
Stephanie
