Any further hearings will be publicised as required by the Inspectorate and by the Infrastructure Planning (Examination Procedure) Rules 2010.

Summary of the Project:

The Application relates to the construction, operation and decommissioning of a gas fired flexible electricity generation plant and battery storage facility in Thurrock, Essex, known as the Thurrock Flexible Generation Plant ('the Proposed Development') and includes:

Reciprocating gas engines with net electrical output totalling 600 MW, batteries with net electrical output of 150 MW and storage capacity of up to 600 MW, associated electrical and control equipment, creation of temporary and permanent private access routes for construction and access in operation including a permanent causeway for the delivery of abnormal indivisible loads by barge, a gas pipeline connection to the gas national transmission system, an electrical export connection via underground cables to the immediately adjacent National Grid Tilbury Substation, common land exchange and habitat creation or enhancement for protected species translocation and biodiversity gain.

The Proposed Development is located on land south west of Station Road near Tilbury, Essex. The British National Grid coordinates are TQ662766 and the nearest existing postcode is RM18 8UL.

Copies of Application Documents

The application form and its accompanying documents, maps and plans, including the Environmental Statement and draft DCO, are available to view electronically and download, free of charge, on the project page of the Planning Inspectorate's website:

<https://infrastructure.planninginspectorate.gov.uk/projects/south-east/thurrock-flexible-generation-plant>

and in the 'Documents' section of the Applicant's website:

<http://thurrockpower.co.uk>

If you require alternative methods for inspection of the application documents, please telephone the applicant on: 0207 186 0580 or email:

contact@thurrockpower.co.uk

Hard copies of the application documents can be requested but will be subject to a maximum charge of £500 for each copy. Requests for electronic or hard copy documents can be made in the following ways:

- Email: contact@thurrockpower.co.uk
- Telephone: 0207 186 0580

USB device copies can be provided free of charge and are available upon request to the Applicant.

It should be noted that the Planning Inspectorate is reviewing its procedures due to the COVID-19 situation, so please monitor their website for periodic updates. You can sign up for updates using the 'sign up' link on the website.

Further information about the Application can be obtained from the Applicant using the following contact details:

- Email: contact@thurrockpower.co.uk
- Telephone: 0207 186 0580
