Dear Tracey

Further to my email below, the new Schedule 9 to the PoTTL draft of the DCO includes a signature below 'Thurrock Power Limited'.

We wish to confirm that TPL has never signed the Heads of Terms. Neither has PoTLL. The Heads of Terms were not agreed.

Please accept this submission into the Examination.

Kind regards

Julian

Dear Tracey

We have just seen the PoTLL Deadline 8 submissions. We wish to reiterate that there was no agreement with PoTLL to make the Heads of Terms public or to include them in the DCO. They contain confidential commercial terms. They are not agreed.

Please treat this as a formal submission to the ExA. We have not received formal notice of closure of the Examination and so we assume there is still time to make this submission.

Kind regards

Julian
