Dear Sir/Madam

Our ref: 408277
Your ref: EN010092

Thank you for your consultation.

Natural England has no comments to make on this non-material change for this proposal for the Thurrock Flexible Generation Plant.

Should the proposal be amended in a way which **significantly** affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us the amended consultation, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.
Yours faithfully
