Adequacy of Consultation Request

Application by Cory Riverside Energy for an Order Granting Development Consent for the Riverside Energy Park

I refer to the above matter and your letter dated 16 November 2018.

It is noted the applicant has submitted a detailed Consultation Report (Document reference 5.1 of November 2018) with accompanying appendices A to L.

Thurrock Council has made no representations during the pre-application stage but considers there was sufficient opportunities to provide feedback and comment.

As a local authority consultee, Thurrock Council is satisfied that during the pre-application stage the applicant has complied with the requirements under sections 42, 47 and 48 of the Planning Act 2008.

I trust these comments are of assistance.

Yours sincerely

Richard Hatter
