Dear PINS,

We have been consulted by Cory Energy regarding the Riverside Energy Park.

The Canal & River Trust (the Trust) is the guardian of 2000 miles of historic waterways across England and Wales. We are among the largest charities in the UK. Our vision is that "living waterways transform places and enrich lives". We are a prescribed consultee in the Nationally Significant Infrastructure Project (NSIP) process.

The Trust has reviewed the proposals, and on the basis that they appear unlikely to have any impact on our waterways we have no comment to make at this time.

Kind regards,

Tessa Craig
