18th July 2019

Dear Dee,

Riverside Energy Park: Proposed Integrated Energy Park, Belvedere, London (EN010093)

1. DEADLINE 4 SUBMISSION LETTER (DOCUMENT REFERENCE 8.02.32)

- 1.1 Further to the Examining Authority's (ExA) Rule 8 Letter dated 17 April 2019, I am pleased to enclose the documents requested by the ExA for Deadline 4.
- 1.2 Where a previous document has been updated, a clean and track changed version have been submitted. The versions that show the track changes have the same document reference but are named '(with track changes)'.
- 1.3 Where a new submission document is being issued that is linked to a document in the original volumes, it has been given a sequential number to that volume. All other new documents will be issued within volume 8. All documents with a reference starting 8.01.## will be Statements of Common Ground and all other documents will fall under the numbering system 8.02.##.

2. COMMENTS ON OTHER'S DEADLINE 3 SUBMISSIONS

The Applicant's responses to other's Deadline 3 submissions are submitted at this Deadline 4.

3. UPDATED REVISIONS TO DOCUMENTS

At this Deadline 4, the Applicant submits into the Examination the following updated revisions to submitted documents:

Table 2: Updated revisions to submitted Application documents

Document Reference	Revision (July 2019)	Document name Description for submission	Track Changed provided
1.3	3	Guide to the Application The Guide to the Application has been updated to reflect the additional documents submitted during the course of the Examination. Table 6.1 in section 6 of this document has also been replaced and updated with a clear table to include a revised list of the Applicant's documents submitted to date.	Yes
2.1	2	Land Plans The Land Plans have been updated to provide greater clarity of subsoil interests and areas of adopted highway. This has resulted in plot changes as follows: 12/06 breaking down into 12/06a and 12/06b, plot 12/17 breaking down into 12/17a and 12/17b, plot 03/11 breaking down into 03/11 and 03/11a. No new land has been added to the Order limits.	No
4.3	1	Book of Reference The Book of Reference has been updated to account for the new plots created in the land plans, to provide clarity over: subsoil interests, areas of adopted highway, the sale of land from	Yes

Document Reference	Revision (July 2019)	Document name Description for submission	Track Changed provided
		Seamus Gannon to Creek Side Limited, the sale of land from RWE Generation UK plc to Dravins and Scanlon, and other minor changes.	
5.3	1	Electricity Grid Connection Statement This document has been updated to reflect the changes to the Electrical Connection route as submitted at Deadline 2. In addition, the Applicant has now made a grid connection application.	Yes
6.3	3	ES Appendix L to B.1 Outline Construction Traffic Management Plan This Appendix has been updated to detail information with regards to access arrangements during the construction of the Electrical Connection route.	Yes
8.02.22	1	Land Negotiations Summary This document sets out the status, as at Deadline 4, of negotiations to acquire the land interests of all Category 1 persons and Category 2 persons, including the owners of apparatus in the Order land.	No

4. NEW DOCUMENTS SUBMITTED TO SUPPORT THE APPLICATION

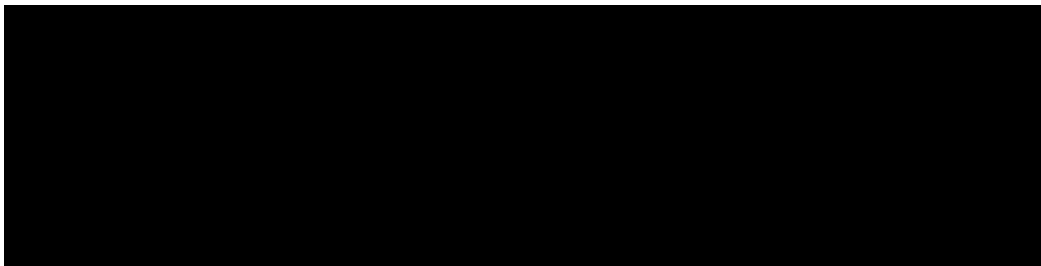

At this Deadline 4, the Applicant has prepared the following documents in support of its Application. These documents have arisen following a review of the Written Questions and other's Deadline 3 submissions made:

Table 3: New documents submitted

Document Reference	Revision (July 2019)	Document name Description for submission
8.02.40	0	<p>Effect of Interconnectors on Riverside Energy Park Carbon Assessment</p> <p>This document responds to a question raised by the Examining Authority during the Issue Specific Hearing on Environmental Matters held on 5 June 2019. The document explains how interconnectors fit into the UK energy mix and how this affects the marginal electricity source in the context of the carbon assessment for the Proposed Development.</p>
8.02.41	0	<p>Analysis of whether the policy on Green Belt in the National Policy Statement applies to the Metropolitan Open Land in respect of the Proposed Development</p> <p>This document responds to a question raised by the Examining Authority during the Issue Specific Hearing on Environmental Matters held on 5 June 2019. The document examines the application of policy in relation to Metropolitan Open Land in light of the Applicant's proposals in this location.</p>
8.02.42	0	<p>Anaerobic Digestion Facility Emissions Mitigation Note</p> <p>This document sets out the improved emissions abatement system proposed for the Anaerobic Digestion facility combined heat and power (CHP) engine and the revised environmental impacts with respect to improved emissions performance.</p>

If you have any questions or clarifications, please do not hesitate to contact me.

Yours sincerely
