Dear Jonathan,

You have the PLA's letter of support for the project, sent to you yesterday by Mike Atkins. The ExA will want to know whether the objection is to be treated as having been withdrawn.

The objection is not to be formally withdrawn at this stage. The PLA needs to preserve its position as an interested party in case there is anything it has to raise hereafter in relation to, particularly, the drafting of the DCO.

Kid regards,

Alison Gorlov
