Dear Sir/Madam

**Planning Act 2008 (as amended) and Rule 8(3) of the Infrastructure
Planning (Examination Procedure) Rules 2010 (as amended)**

**Application by Cory Riverside Energy for an Order Granting Development
Consent for the Riverside Energy Park**

Notification of variation to the Examination Timetable

Further to the [Rule 8 letter](#) of 17 April 2019, I am writing to inform you about my decision to vary the examination timetable.

On 26 July 2019, I received a joint statement between the Applicant and SAS Depot Ltd provided as an [additional submission](#) into the Examination for my consideration. I considered the matters raised and decided that it would not be necessary to hold the Compulsory Acquisition Hearing (CAH) timetabled for Thursday, 30 July 2019.

In the light of the content of the written submissions received from the interested parties to date, together with the oral submissions made at recent hearings, I decided that it would not be necessary to take up the 'reserve' hearing dates of 31 July 2019 and/or 27 to 29 August 2019 which were set aside in the examination timetable for further Issue Specific and/or any other Hearing.

However, I consider that the 'reserve' hearing dates of 17 to 19 September 2019, may still be required to cater for a further Issue Specific Hearing and/or CAH. I will make a decision on whether these hearings should proceed, following submission received for Deadline 5 on 13 August 2019, including my request by this deadline for IPs to notify me of their wish to speak at a CAH reserved for September.

On 1 August 2019 I issued a letter setting out further written questions relating to the application. I also issued a letter setting out questions relating to the changes to application which had been submitted earlier by the Applicant. The deadline for

responses to these questions is 16 August 2019 which I am now including in the timetable as Deadline 6.

Further to the examination timetable contained in Annex A of my letter of 17 April 2019, a variation of the timetable has been made under Rule 8(3) and this is contained in Annex A of this letter at **items 13, 14, 15, 16, 17 and 18**.

If you have any further queries, please do not hesitate to contact the case team.

Yours faithfully

Jonathan Green
