Riverside Energy Park, Belvedere

In the London Borough of Bexley

Planning Inspectorate reference: EN010093

National Infrastructure Project Development Consent Order application – Further Representations

Development Consent Order, Section 90 of Planning Act 2008

Proposed development

Cory Environmental Holdings (the Applicant) propose to develop ‘an integrated multi-technology Riverside energy generation park (REP) including an Energy Recovery Facility (ERF incinerator), Anaerobic Digestion Facility, Solar Panels, Battery Storage and electrical connection route’.

As the Riverside Energy Park would have an electricity generating capacity over 50MWe, it is classified as a Nationally Significant Infrastructure Project under section 14(1)(a) and section 15(2) of the Planning Act 2008.

Structure of GLA’s deadline 5 submissions

The GLA’s Deadline 5 submission comprises distinct schedules, with provide a commentary against points made by the Applicant or other third parties. The following schedules form the GLA’s Deadline 5 submission:

Schedule 1 - GLA response to Applicant document 8.02.35, “Applicant Response to the GLA’s Deadline 3 Submissions”

Schedule 2 - GLA comments on document 8.02.36, “Applicant’s response to London Borough of Bexley Deadline 3 Submission”.

Schedule 3 - GLA’s comments on London Borough of Bexley comments on the Applicant’s revised draft DCO submitted at Deadline 3

Schedule 4 - GLA comments on new relevant documents submitted by the Applicant

Schedule 5 - GLA response to ExA’s second written questions (*to follow by 16th August, as set out ExA’s letter dated 1st August*)

ExA’s second written questions

The ExA posed two questions to the GLA in his second written questions (ExQ2). Whilst schedule 5, to be submitted by 16th August, will directly set out the GLA’s response to these questions, Schedule 1 should be considered the response to ExQ 2.1.2, which states “Please will the GLA, to the extent that this is not already in hand for Deadline 5, provide comments on the submission from the Applicant received at Deadline 4, titled ‘Applicants response to the GLA at Deadline 3 submission’ [REP4-014].”
