Dear Sirs,

I am writing on behalf of Friends of Crossness Nature Reserve with a request for a consideration of timetabling.

With the recent issuing of an amended timetable I have noticed that September 17th-19th are reserved for Issue Specific and any other hearings (if required).

There has been a long standing event programmed for the Crossness Nature Reserve that both myself, and the Thames Water Bio-diversity Team Manager (Karen Sutton) are committed to attending – this is Thursday 19th September. I wonder therefore, if there is a requirement for a further hearing on Bio-diversity/Environmental issues could consideration please be given to holding it on either the 17th or 18th September.

Thank you,

Kind regards

Ralph Todd

Representing Friends of Crossness Nature Reserve.
