Dear Sir

**Subject: Cory - Riverside Energy Park - Parcel 13/14 -
Planning Inspectorate Reference Number: EN010093
Acceptance of Option Agreement
Withdrawal of Relevant Representation**

I am writing in relation to the application for a Development Consent Order ("DCO") made to the Secretary of State under the Planning Act 2008 ("the Application") for powers to construct, operate and maintain an integrated Energy Park, known as Riverside Energy Park ("REP").

I made a relevant representation (RR-001) dated 4th January 2019 in respect of the DCO application. At that time the Book of Reference included three land parcels in my land ownership being parcels 13/14, 13/16 and 14/05. It also recorded my ownership of the subsoil in plot 13/13 and rights of access over plot 13/15. Cory and their agents Ardent have engaged with me during the examination. As a result of that engagement plots 13/16 and 14/05 have been removed from the Order limits. In May this year. We are currently in discussions and we have agreed the terms for an option agreement in respect of the remaining plot 13/14, which is being progressed.

Cory's approach has been to try and reach voluntary agreement with me as an affected landowner by the proposed compulsory acquisition powers included in the draft DCO for REP. In the event that we are unable to finalise an option I acknowledge that I am entitled to the Compensation Code if Cory rely on the use of DCO powers.

On this basis I confirm that I now withdraw my objection set out in relevant representation RR-001 to the Application and that I no longer wish to participate in the examination. For the avoidance of doubt I, pursuant to section 102(1ZA) of the Planning Act 2008, no longer wish to be an Interested Party in respect of the Examination.

I would be grateful if you could please acknowledge receipt of this letter.

Yours faithfully
Maz Mohammad
