For the attention of Jonathan Green, the Examining Authority for the Riverside Energy Park

17 September 2019

Dear Sirs

EXAMINATION OF THE RIVERSIDE ENERGY PARK DEVELOPMENT CONSENT ORDER APPLICATION BY CORY ENVIRONMENTAL HOLDINGS LIMITED (THE "REP APPLICATION")

REFERENCE: EN010093

We write on behalf of SAS Depot Limited and the current shareholders of SAS Depot Limited (being John Alfred Parsons, Paula Elizabeth Parsons, Deanna Ruby Burgess, and David Keith Burgess) (all together being "SAS") in respect of the REP Application which was accepted by the Secretary of State for Examination on 14 December 2018.

Following recent discussions between SAS and Cory Environmental Holdings Limited ("Cory"), we can confirm that SAS has reached agreement with Cory so that Cory can acquire the property interests owned by SAS which are affected by the REP Application. On this basis, on behalf of SAS, we withdraw SAS's objections, representations and submissions made before and during the Examination, including those made in the following documents:

1. SAS's Relevant Representation (RR-028);
2. SAS's Written Representation (REP2-090);
3. Correspondence dated 12 December 2018 (OD-004).

We also confirm that SAS no longer wishes to participate in the Examination and, pursuant to section 102(1ZA) of the Planning Act 2008, no longer wishes to be an Interested Party in respect of the Examination.

I would be grateful if you could please acknowledge receipt of this letter.

Yours faithfully,

John Parsons
Director
