For the attention of Jonathan Green, the Examining Authority for the Riverside Energy Park

Dear Sirs,

EXAMINATION OF THE RIVERSIDE ENERGY PARK DEVELOPMENT CONSENT ORDER APPLICATION BY CORY ENVIRONMENTAL HOLDINGS LIMITED (THE "REP APPLICATION")

REFERENCE: EN010093

We write on behalf of Creek Side Developments (Kent) Limited ("Creekside") in respect of the REP Application which was accepted by the Secretary of State for Examination on 14 December 2018. Creekside purchased the freehold of plot 02/52 on 21 June 2019 from Seamus Gannon. Creekside also have an interest in land in respect of plots 03/05 and 03/06.

Following recent discussions between Creekside and Cory Environmental Holdings Limited ("Cory"), we can confirm that Creekside has reached agreement with Cory so that Cory can acquire a lease over Creekside's property interests in plot 02/52 which is affected by the REP Application. On this basis we can confirm that Creekside withdraws its objection, set out in Relevant Representation (RR-061) and its submission for deadline 3 (REP3-037) to the REP Application and that Creekside no longer wishes to participate in the Examination.

For the avoidance of doubt Creekside, pursuant to section 102(1ZA) of the Planning Act 2008, no longer wishes to be an Interested Party in respect of the Examination.

I would be grateful if you could please acknowledge receipt of this letter.

Yours faithfully,
