Dear Sir/Madam

## **Planning Act 2008 (as amended) and Rule 8(3) of the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended)**

### **Application by Cory Riverside Energy for an Order Granting Development Consent for the Riverside Energy Park**

#### **Notification of variation to the Examination Timetable**

Further to the [Rule 8\(3\) letter](#) of 3 September 2019, I am writing to inform you about my decision to vary the examination timetable.

In the light of oral representation made by the Applicant, London Borough of Bexley, the Greater London Authority and other Interested Parties at the Issue Specific Hearing into the draft Development Consent Order (dDCO) on 19 September 2019, I have decided to vary the Examination timetable.

This variation has arisen from the need for the Applicant to consider all written and oral representations made to date in the Examination and submit their preferred dDCO by **Monday 30 September 2019**, which I am now including in the timetable as **Deadline 8a**, furthermore I am now also including **Deadline 8b** into the timetable, which provides all Interested Parties the opportunity to comment on the Applicant preferred dDCO by **Friday 4 October 2019**.

A full account of my decision regarding these matters, including the Applicants oral representation made at the ISH into the dDCO, outlining the documents the Applicant intends to submit by Deadline 8, 8a and 8b can be heard via the audio recording [EV-011] published to the project website.

Further to the amended examination timetable contained in Annex A of my Rule 8(3) letter of 3 September 2019, a variation of the timetable has been made now under Rule 8(3) and this is contained in Annex A of this letter at **items, 17, 18, 19** and **20**.

If you have any further queries, please do not hesitate to contact the case team.

Yours faithfully

*Jonathan Green*
