SCHEDULE OF CHANGES MADE TO THE DRAFT DEVELOPMENT CONSENT ORDER – REVISION 5 (DEADLINE 8B)

In this document, where reference is made to an Article or Requirement, that reference is to the corresponding Article or Reference in the dDCO (3.1, Rev 5) submitted at Deadline 8b.

Article / Requirement number	Change in the Development Consent Order (Revision 5)	Reason for the change
Schedule 1		
Work No. 1C	Deletion of “on all or part of the steam turbine building forming part of Work No. 2,”	This is correcting a typographical error – the phrase has been repeated twice under Work No. 1. C and therefore has been deleted.
Schedule 2		
Requirement 14(1)	The cross reference has been amended to refer to sub-paragraph (4).	This is correcting a typographical error.
Requirement 14(3)	Deletion of “save in the event of a jetty outage”	This now reflects the tonnage cap inserted for Work No. 1B in Requirement 32 – as Work No. 1B cannot exceed 40,000 tonnes per calendar year there is no need for an exception in the event of a jetty outage.
Schedule 3		
Row 11	Amendment of reference from sheet 3 of the access and public rights of way plan to reference to sheet 2 of the access and public rights of way plan instead.	This is correcting a typographical error, following the selection of the Electrical Connection route at Deadline 2.

Article / Requirement number	Change in the Development Consent Order (Revision 5)	Reason for the change
Row 12	Amendment of reference from sheet 3 of the access and public rights of way plan to reference to sheet 2 of the access and public rights of way plan instead.	This is correcting a typographical error, following the selection of the Electrical Connection route at Deadline 2.
Schedule 4		
Part 2, row 4	Amendment of reference from sheet 3 of the access and public rights of way plan to reference to sheet 2 of the access and public rights of way plan instead.	This is correcting a typographical error, following the selection of the Electrical Connection route at Deadline 2.
Schedule 5		
Row 5	Amendment of reference from sheet 3 of the access and public rights of way plan to reference to sheet 2 of the access and public rights of way plan instead.	This is correcting a typographical error, following the selection of the Electrical Connection route at Deadline 2.
Schedule 10 (Protective Provisions)		
Part 1 RRRL	Amendment of the definition of 'access road' to refer to "access and <u>public</u> rights of way plan"	This is correcting a typographical error to ensure that the access and public rights of way plan is referred to as defined in Article 2 of the dDCO.
Part 9 Southern Gas Networks	Amendments to reflect the latest protective provisions with SGN.	This has been amended to reflect the latest protective provisions. The Applicant believes the protective provisions are now agreed but is awaiting confirmation from SGN.
