**Subject:** EN010093: Application for the Riverside Energy Park DCO - Our Client Network Rail Infrastructure Limited

Dear Sirs

As you are aware, we are instructed by Network Rail in relation to the above matter and we refer your attention to our detailed Written Representation.

The applicant has provided us with a copy of the Final Order which they submitted at Deadline 8A of the Examination a copy of which is attached.

We note that this includes amendments to the text of the protective provisions (Part 5 of Schedule 10 of the Draft Order) and article 42(3) of the Draft Order. Those amendments have been made at the request of Network Rail and mean that the Order is now in a form which is acceptable to Network Rail. Accordingly, Network Rail would be content for the Secretary of State to make the Order in this form.

Regards

**Stephen Dagg**
