THE RIVERSIDE ENERGY PARK ORDER 2020 (THE ORDER)

NOTIFICATION PURSUANT TO ARTICLE 9(5) OF THE ORDER OF THE PROPOSED TRANSFER OF THE BENEFIT OF THE ORDER TO RIVERSIDE ENERGY PARK LIMITED PURSUANT TO ARTICLE 9(4)(a) OF THE ORDER

The Order was made by the Secretary of State for Business, Energy and Industrial Strategy on 9 April 2020 and came into force on 1 May 2020. The Order authorises the construction, operation and maintenance of an integrated energy park of over 50MW generating capacity and associated electrical connection at Belvedere in the London Borough of Bexley by the undertaker, Cory Environmental Holdings Limited (**CEHL**).

Notice is hereby given to the Secretary of State that CEHL proposes to transfer all of the benefit of the Order to its wholly owned subsidiary Riverside Energy Park Limited (**REPL**), using the powers contained in Article 9(1) and Article 9(4) of the Order.

Under Article 9(4)(a) of the Order, where the transfer or grant is made to REPL (and in circumstances where REPL is a wholly owned subsidiary of CEHL), the parties are required to notify the Secretary of State, rather than seek their consent under Article 9(1). CEHL confirms to the Secretary of State that REPL is a wholly owned subsidiary of CEHL and this evidenced in **Appendix 1**. Accordingly, Article 9(4)(a) is applicable to this transfer.

Article 9(6) requires CEHL as undertaker to provide certain specified information in the notice required under Article 9(5), which is set out as follows:

1. The name and contact details of the person to whom the benefit of the powers will be transferred or granted is as follows (Article 9(6)(a)):

Level 5
10 Dominion Street
London
England
EC2M 2EF

General Counsel and Company Secretary

Cory Group
Floor 5
10 Dominion Street
London
EC2M 2EF

2. The date on which the transfer will take effect is 4 January 2022 (Article 9(6)(b)). This is evidenced by the completed Transfer Agreement, a copy of which is enclosed with this Notice in **Appendix 2**.
3. All of the powers of the Order will be transferred to REPL as at the Effective Date save for where the benefit of the Order is stated in Article 8(2) to be for the benefit of both the undertaker and London Power Networks, for which both REPL and London Power Networks will have the benefit of the Order as at the Effective Date (Article 9(6)(c)). This is evidenced by the completed Transfer Agreement, a copy of which is enclosed with this Notice in **Appendix 2**.
4. All of the restrictions, liabilities and obligations in the Order will be transferred to REPL as at the Effective Date, save for where the benefit of the Order is stated in Article 8(2) to be for the benefit of both the undertaker and London Power Networks, for which the restrictions, liabilities and obligations of the Order will apply to both REPL and London Power Networks as at the Effective Date (Article 9(6)(d)). This is evidenced by the completed Transfer

Agreement, a copy of which is enclosed with this Notice in **Appendix 2**.

5. As the transfer relates to all of the powers of the Order, the transfer relates to all of the works and the areas as shown on the Works Plans as defined in Article 2 of the Order (Article 9)6)(e).

In accordance with Article 9(8) of the Order, this notification is signed by both CEHL and REPL.
