Dear Sir / Madam

Boston Borough Council – Comments on Draft DCO and other Submitted Documents

Draft DCO

The Council notes the amendments made to date to the DCO which reflect the emerging amendments required as a result of discussions. The Council has no comments to make on this submission at this time, pending potential future amendments as a result of further submissions (additional information and agreement of SOCGs etc) from the applicants.

Other submissions

The Council notes the additional submissions by the applicants, and has no further comments arising at this time.

Yours faithfully

Mike Gildersleeves

Assistant Director – Planning & Strategic Infrastructure

Boston Borough Council, East Lindsey District Council and South Holland District Council
