Dear Sir/Madam

Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 8(3)

Application by Alternative Use Boston Projects Limited for an Order Granting Development Consent for the Boston Alternative Energy Facility

Change to the timetable

I have decided not to hold hearings or an Accompanied Site Inspection in the week commencing 28 February 2022. I note the Boston and Fosdyke Fishing Society's request to make oral representations at an Issue Specific Hearing on navigation and fishing matters [REP1-063]. Having reviewed submissions to Deadline 5 regarding these matters, and to enable full participation I have concluded that a hearing would not be the most productive method for resolving issues between the parties. Instead I will be issuing a third round of Written Questions (ExQ3), on Tuesday 15 February.

Attached is an amended timetable which shows that responses to ExQ3 are due by the new Deadline 7, on 1 March. Please note that the Report on the Implications for European Sites will now be published on Thursday 24 February, with responses due by Deadline 9, Thursday 24 March.

Yours faithfully

Max Wiltshire
