Dear Mr Leigh

Boston Alternative Energy Facility - Clarification

We act for Alternative Use Boston Projects Limited (the **Applicant**) in relation to the application for an order granting development consent for the proposed Boston Alternative Energy Facility (**Application**).

We refer to your letter dated 14 October 2022 advising of a new determination date for the Application and requesting further information on the Application.

Paragraph 3.6 of the letter requests further information regarding the without-prejudice proposed compensation sites for The Wash SPA. In particular, the letter advises that this should include land survey data. We wish to clarify the type of land survey that is sought and should be grateful if you would advise the type and nature of the land survey data requested.

We would welcome a response at your earliest convenience.

Yours sincerely
