For the attention of Tracey Williams  
Case Manager

Dear Sirs,

I refer to your notification of 12 April 2019 concerning the Adequacy of Consultation Request.

I can confirm that this Council considers that the Duty to Consult and the requirement to prepare the Consultation Report has been met thoroughly and comprehensively. The applicant's approach to a two stage process in that Stage 1 was as comprehensive as the statutory Stage 2 is to be commended and it would consider that s.47 and s.48 have been met in full.

I think it is unlikely, without prejudice, that this authority would wish to become an interested party; although it is not entirely clear from the submissions, it appears that this authority is not a s.43 authority in that it does not border or have any connection with the application site.

I trust that this is of assistance.
