Due to security requirements for one of the locations on the ASI it is important that you notify us by **Monday 16 September 2019** if;

The inspection may include some walking on uneven or wet ground. The Planning Inspectorate therefore advises attendees to wear clothing that is appropriate for the weather, and sturdy footwear

Attendees are reminded that the purpose of the site inspection is to view the site and surroundings in the context of the written material. No representations should be made or discussions on points of merit conducted at this inspection.
