Dear Sir/ Madam

## **The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended)**

### **Application by VPI Immingham B Ltd for an Order Granting Development Consent for the VPI Immingham OCGT Project**

#### **Examining Authority's (ExA's) itinerary for the Accompanied Site Inspection**

I am writing to advise you that the itinerary for the Accompanied Site Inspection due to take place on **Tuesday 1 October 2019** has been finalised and can be found below.

This itinerary has been drafted taking account of the Applicant's draft itinerary submitted at Deadline 1 [REP1-001] and the other suggested locations submitted by Interested Parties.

Please note that the ExA's inspection of sites is not an opportunity to provide any oral representations; no discussion on the project or evidence will take place. It is solely an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

#### **Venue**

VPI Immingham CHP Plant offices, Rosper Road, South Killingholme DN40 3DZ.

#### **Access and parking**

Free parking available at the venue.

#### **Joining the site visit**

The site inspection will commence at 10:00am. Please arrive by 9:30am to register at the Reception building at the Existing VPI CHP Plant offices off of Rosper Road. The ExA is not able to wait for parties who are not present at the start time. Subsequent timings are indicative as it is not possible to determine how much time will be required by the ExA at a particular location.

## Annex A

If, having seen the itinerary, a person no longer wishes to attend, or only wishes to join the visit at a specific location they should notify the case team ([ImminghamOCGT@planninginspectorate.gov.uk](mailto:ImminghamOCGT@planninginspectorate.gov.uk)) as a matter of urgency.

To ensure the smooth running of the ExA's inspection, attendees should provide;

- contact details for the day
- car registration number (if driving to site),
- notify the Case Team if there are any changes in attendance and
- ensure the Planning Inspectorate is made aware of any special access requirements for any participants.

### Clothing/ PPE

It will be necessary for all parties to wear appropriate sturdy footwear and weatherproof clothing.

In addition, **PPE will be required** to enter both the VPI operational areas as well as the Phillips 66 site. **Attendees are therefore requested to provide details of boot size and overalls size (S, M, L, XL) no later than Thursday 26 September 2019.**

### Sites on private land

Access onto private land is at all times by permission of the person controlling it; occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

### Refreshments

A buffet lunch will be provided at the VPI CHP Plant site offices

### Transport arrangements

The Applicant will provide a minibus for the main part of the tour.

Additional transport will be provided around the Phillips 66 site.

### Cancellations

Please note that in the unlikely event that the Accompanied Site Inspection is cancelled due to unforeseen circumstances, we shall endeavour to contact attendees beforehand. However, the ExA would ask that you regularly check the Planning Inspectorate's website which can be viewed here:

<https://infrastructure.planninginspectorate.gov.uk/projects/North%20East/VPI-Immingham-OCGT/>

The itinerary for the ASI is set out below In **Annex A** and an illustrative plan included at **Annex B**
