Dear

The Planning Act 2008 – Section 89 and The Infrastructure Planning (Examination Procedure) Rules 2010 – Rules 8(3), 9 and 17

Application by VPI Immingham B Ltd for an Order Granting Development Consent for the VPI Immingham OCGT Project

Notification of change to the Examination Timetable and Request for Further Information

I have reviewed the information provided at Deadlines 1, 2 and 3 and the discussions which took place at the DCO and CAH hearings held in October 2019. As I indicated at the time, the Examination Timetable sets out 6 November 2019 for the Examination authority to provide notification of further hearings if required.

In order for me to assess whether further hearings are necessary, I have a number of additional questions (set out in the following table) to which I would like a written response **on or before 1 November 2019** (new **Deadline 3a**). Column 2 of the table indicates which Interested Parties (IPs) and other persons each question is directed to. I would be grateful if all persons named could provide a substantive response. Each question has a unique reference number which starts with 1a (indicating that it is from ExQ1a) and then has an issue number and a question number. For example, the first question is ExQ1a.1.1. When you are answering a question, please start your answer by quoting the unique reference number.
