Dear Sirs,

National Grid would like to be able to confirm that there is no need for any further oral evidence in respect of the above examination. However there are two outstanding points in relation to the indemnity that we are waiting for clarification from the promoter on. We understand that the promoter will respond to us during next week. Accordingly it will be necessary for National Grid to request an extension for the timescale to respond to the ExA's additional questions to National Grid until the promoter has responded. In the circumstances, we trust that this is acceptable and we will confirm our position as soon as possible.

Kind regards

Abigail Walters
