Date: 21 December 2022

Dear Mr Bullock,

Application by VPI Immingham B Limited (“the Applicant”) for a non-material change to the Immingham Open Cycle Gas Turbine Development Consent Order

1. The Secretary of State has received consultation responses from the Environment Agency on 21 October 2022, and from North Lincolnshire Council on 17 November 2022. The consultation responses can be accessed here:
<https://infrastructure.planninginspectorate.gov.uk/projects/north-east/vpi-immingham-ocgt/?ipcsection=docs&stage=7&filter1=Non-Material+Change>
2. The consultation responses have raised concerns about the proposed amendment to Requirement 11(3) requested as part of the non-material change application. The Secretary of State invites the Applicant to provide any comments on these consultation responses by the 18 January 2023.
3. This letter is without prejudice to the Secretary of State’s consideration of whether to grant or withhold consent for the Immingham OCGT non-material change application. Nothing in this letter is to be taken to imply what the eventual decision might be or what final conclusions the Secretary of State may reach on any particular issue which is relevant to the determination of the application.

Yours faithfully,

James Dawkins
