Subject: Immingham OCGT - Non Material Change application - Consultation Responses

Good evening Sebbie,

As the consultation period has now closed, please find attached the three consultation responses (plus one Annex) we have received, along with a NMC Consultation Log.

Responses were received from the following,

- Natural England (plus Annex)
- Environment Agency
- North Lincolnshire Council

Please note that we have contacted the Applicant to confirm that they have not received any consultation responses directly, which will need to be forwarded to us. If they do forward us any additional responses, we will of course forward them to you promptly.

Can we please confirm that you have not received any consultation responses, which we may need to prep and publish?

Can we also please confirm that the consultation has now closed and that you authorise publication of the consultation responses, once they have been prepped and redacted where appropriate?

Many thanks,

Ryan
