**Subject:** EN010098 - Orsted Hornsea Project Four adequacy of consultation response

Good morning,

Thank you for your consultation dated 4 October 2021 in respect of the application submitted by Orsted Hornsea Project Four Ltd for an Order granting Development Consent.

Having reviewed the Consultation Report and appendices submitted by the applicant I can confirm that North Lincolnshire Council consider that the consultation undertaken by the applicant is adequate to comply with the statutory requirements under Section 42, 47 & 48 of the Planning Act 2008 (as amended) and is acceptable.

The Council has no further comment to make in respect of this document.

Further to the above, I think it unlikely, without prejudice, that this authority would wish to become an interested party.

I trust that this is of assistance. Do not hesitate to contact me should you wish to discuss this matter further.

Kind Regards
