01	N/A	N/A	First submission at Deadline 1
02	N/A	N/A	Deadline 2 changes included within table 1.
03	N/A	N/A	Deadline 3 changes included within table 2.

Table of Contents

Table 1: Schedule of Change from Application to Deadline 3..... 4

Table 1: Schedule of Changes from Application to deadline 3.

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
General	Applicant		The dDCO has been put on a new SI template and this has resulted in a number of administrative changes (such as hyphens, numbering and schedule headings).	Deadline 1
General	Applicant	The Applicant has updated the protective provisions ("PPs") for bp and included PPs for neo Energy (SNS) Limited	[PART 8 — FOR THE PROTECTION OF OIL AND GAS CARBON STORAGE LICENSEE] [PART 9 — FOR THE PROTECTION OF NEO ENERGY (SNS) LIMITED]	Deadline 3
Contents	Applicant	The Applicant has revisited its conclusion of no potential for adverse effects on integrity in respect of kittiwake at the FFC SPA from Hornsea Four in combination with other plans and projects. The Applicant has therefore updated the draft DCO to include provisions for compensatory measures for kittiwake on this basis.	SCHEDULE 16 – COMPENSATION TO PROTECT THE COHERENCE OF THE NATIONAL SITE NETWORK	Deadline 1
Article 2	Applicant	Definition was missing in previous draft	"bridge link" means {}; "bridge link" means a steel truss structure installed 20-25m above sea level, with provision for overhead clearance personnel, lighting fixtures and ancillary cabling, which can be used as a link for interconnection between any combination of permanent offshore installation assets;	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
Article 2	Applicant	As a result of Issue Specific Hearing 1 ("ISH 1")	"bridge link" means a steel truss structure installed 20-25m above sea level, with provision for overhead clearance personnel, lighting fixtures and ancillary cabling, which can be used as a link for interconnection between any combination or of permanent offshore installation assets <u>electrical installations and/or offshore accommodation platform</u> ;	Deadline 3
Article 2, Schedule 11 and 12, part 1, paragraph 1	MMO	MMO Comment: 2.2.4: ""buoy" means any floating device used for navigational purposes or measurement purposes" The MMO requests clarity as to whether LIDAR buoys and wave buoys will be required and if so it should be clearly stipulated within the DMLs	"buoy" means any floating device used for navigational purposes or measurement purposes, <u>including LIDAR and wave buoys</u> ;	Deadline 1
Article 2	ExA	As a result of ISH1	"commitments register" means the document certified as the commitments register by the Secretary of State for the purposes of this Order <u>under article 38</u>	Deadline 3
Article 2	Applicant	Definition not used	"extent of marine licence plans" means the plan or plans certified as the extent of marine licence plans by the Secretary of State for the purposes of this Order under article 38 (certification of plans and documents etc);	Deadline 1
Article 2	ExA	As a result of ISH1	<u>"intrusive environmental surveys" means an environmental survey that requires or is facilitated by breaking the surface of the ground or seabed;</u>	Deadline 3
Article 2	ExA	As a result of ISH1	<u>"Marine Management Organisation" or "MMO" means the Marine Management Organisation, Lancaster House, Hampshire Court, Newcastle upon Tyne, NE4 7YH who is the body created under the 2009 Act and who is responsible for the monitoring and enforcement of the deemed marine licences;</u>	Deadline 3

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
Article 2	See above	See above	“MMO” means the Marine Management Organisation, Lancaster House, Hampshire Court, Newcastle upon Tyne, NE4 7YH;	Deadline 3
Article 2	ExA/East Riding of Yorkshire Council (“ERYC”)	As a result of ISH1	“onshore site preparation works” means operations consisting of site clearance, pre-planting of landscaping <u>works</u> , <u>ecological mitigation</u> works, archaeological investigations, intrusive environmental surveys, investigations for the purpose of assessing ground conditions, remedial work in respect of any contamination or other adverse ground conditions, diversion and laying of services, erection of any temporary means of enclosure, creation of site accesses and the temporary display of site notices or advertisements;	Deadline 3
Article 2	Applicant/MO	<p>MMO Comment: 2.2.16: ““operation” means the undertaking of activities authorised by this Order determined by the undertaker not to be part of either the construction or decommissioning of the authorised development”</p> <p>The MMO believes that this interpretation should be clearer. Being determined by the undertaker does not provide confidence at this stage on the difference between construction, decommissioning and operation. The MMO notes that this could be dealt with</p>	“operation” means the undertaking of activities authorised by this Order determined by the undertaker not to be <u>which are not</u> part of either the construction—, <u>commissioning</u> or decommissioning of the authorised development;	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
		<p>upon the provision to include an outline operation and maintenance plan.</p> <p>The Applicant has included commissioning in the definition for clarity</p>		
Article 2, Schedule 11 and Schedule 12	Applicant	Added for clarity	"outline cable specification and installation plan" means the document certified as the outline cable specification and installation plan by the Secretary of State for the purposes of this Order under article 38;	Deadline 2
Article 2	Applicant	Added for clarity in response to First Written Question ES.1.14.	"outline construction traffic management plan" means Appendix F of the document certified as the outline code of construction traffic management practice plan by the Secretary of State for the purposes of this Order under article 38;	Deadline 2
Article 2, Schedule 11 and Schedule 12	Applicant	Added for clarity in response to ES.1.19	"outline marine monitoring plan" means the document certified as the outline marine monitoring plan by the Secretary of State for the purposes of this Order under article 38;	Deadline 2
Article 2 and throughout the DCO	MMO	MMO Comment: 2.5.41: Part 2, Condition 13 "(2) Subject to condition 13(3), the licensed activities or any relevant stage of those activities must not	"outline marine written scheme of archaeological investigation" means the document certified as the outline marine written scheme of archaeological investigation by the Secretary of State for the purposes of this Order under article 38 (certification of plans and documents etc);	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
		<p>commence unless no later than four months prior to the commencement of the relevant stage a marine written scheme of archaeological investigation for the stage in construction has been submitted to and approved by the MMO, in accordance with the outline marine written scheme of investigation, and in accordance with industry good practice, in consultation with the statutory historic body to include—</p> <p>Please update “submitted to and approved by the MMO” to “submitted to and approved by the MMO in writing” and “with the outline marine written scheme of investigation” to “with the outline marine written scheme of archaeological investigation”.</p>		

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
Article 2 and throughout the DCO	Applicant	Amending error in title of document	"outline onshore infrastructure drainage strategy" means the document certified as the outline onshore infrastructure drainage strategy by the Secretary of State for the purposes of this Order under article 38;	Deadline 2
Article 2 and throughout the DCO	Applicant	Ensuring consistent title used for document throughout the DCO	<p>"outline onshore written scheme of investigation" means the document certified as the outline onshore written scheme of investigation by the Secretary of State for the purposes of this Order under article 38;</p> <p>"outline southern north sea special area of conservation site integrity plan" means the document certified as the outline southern north sea special area of conservation site integrity plan by the Secretary of State for the purposes of this Order under article 38;</p> <p>"outline written scheme of investigation for onshore archaeology" means the document certified as the outline written scheme of investigation for onshore archaeology by the Secretary of State for the purposes of this Order under article 38;</p>	Deadline 2
Article 2 and throughout DCO	MMO	<p>MMO Comment:</p> <p>2.2.17: ""outline site integrity plan" means the document certified as the outline site integrity plan by the Secretary of State for the purposes of this Order under article 38 (certification of plans and documents etc)""</p> <p>The MMO requests further detail on this plan such as: ""outline HOW04 Southern North Sea Special Area of</p>	"outline southern north sea special area of conservation site integrity plan" means the document certified as the outline southern north sea special area of conservation site integrity plan by the Secretary of State for the purposes of this Order under article 38 (certification of plans and documents etc);	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
		<p>Conservation site integrity plan” means the document certified as the outline HOW04 Southern North Sea Special Area of Conservation Site Integrity plan by the Secretary of State for the purposes of this Order under article 38 (certification of plans and documents etc)”</p>		
Article 2	Applicant	<p>Added in response to First Written Question DCO.1.4</p>	<p>“relevant highway authority” means East Riding of Yorkshire Council, or any successor to it as highway authority for the land in question;</p>	Deadline 2
Article 2(3)	MMO	<p>MMO Comment: 2.2.20: “(3) All distances, directions, capacities and lengths referred to in this Order are approximate and distances between points on a work comprised in the authorised development shall be taken to be measured along that work”.</p> <p>The MMO believes there are some parameters that are not approximate such as disposal volumes and therefore these should be set</p>	<p>All distances, directions, capacities, volumes and lengths referred to in this Order are approximate unless otherwise indicated (and distances between points on a work comprised in the authorised development will be taken to be measured along that work.</p>	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
		<p>out with a saving provision similar to this condition from Norfolk Boreas Offshore Wind Farm:</p> <p>“(3) All distances, directions and lengths referred to in this Order are approximate, save in respect of the parameters referred to in paragraph 1(c) and paragraph 1(e) (disposal volumes in connection with Work Nos. 1 to 4B) in Part 1, Schedule 1 (authorised development) requirements 2 to 11 and requirement 16 in Part 3, Schedule 1 (requirements) and conditions 1-8 in Part 4, Schedules 9 and 10 of the deemed marine licences for the generation assets, conditions 1-3 in Part 4, Schedules 11 and 12 of the deemed marine licences for the transmission assets and condition 2 in Part 4, Schedule 13 of the deemed marine licences for the</p>		

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
		project interconnector assets."		
Article 3(2)	Applicant	Amended for clarity	Work Nos. 1 to 5 and those parts of Work Nos. 9(a) and 9(d) which lie below MHWS (save for those elements of Work No. 5(a) located landward of MHWS in order to connect to Work No. 6 must be constructed within the Order limits seaward of MHWS and Work Nos. 6 to 10 (save for those elements of Work Nos. 9(a) and 9(d) which sit above located seaward of MHWS for foreshore) must be constructed anywhere within the Order limits landward of MHWS.	Deadline 1
Article 4	Applicant	Amended for clarity	Power to construct and maintain the authorised project —(1) The undertaker may at any time construct and maintain the authorised project, except to the extent that this Order or an agreement made under this Order provides otherwise. The power to maintain conferred under paragraph (1) does not relieve the undertaker of any requirement to obtain any further licence under Part 4 of the 2009 Act (marine licensing) for offshore works not covered by the deemed marine licences.	Deadline 1
Article 5(2)	Applicant	Amended in response to First Written Question DCO.1.7	(2) Where an agreement has been made in accordance with paragraph (1) references in this Order to the undertaker, except in paragraphs (3), (5), (7), (8) and (10) <u>paragraph (5)</u> , shall include references to the transferee or lessee.	Deadline 2
Article 5(5)	Applicant	Deleted following amendments of the Secretary of State to the DCO for Norfolk Boreas	(5) ————— The Secretary of State must determine an application for consent made under this article within a period of eight weeks commencing on the date the application is received by the Secretary of State, unless otherwise agreed in writing with the undertaker.	Deadline 1
Article 7	Applicant	Correcting error	Defence to proceedings in respect of statutory nuisance — Where proceedings are brought under section 82(1) of the Environmental Protection Act 1990 (summary proceedings by persons aggrieved by statutory	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
			<p>nuisances) in relation to a nuisance falling within paragraph (g) of section 79(1) of that Act (noise emitted from premises so as to be prejudicial to health or a nuisance) no order is to be made, and no fine is to be imposed, under section 82(2) of that Act if—</p> <p>the defendant shows that the nuisance—</p> <p>relates to premises used by the undertaker for the purposes of or in connection with the construction, maintenance or decommissioning of the authorised project and that the nuisance is attributable to the carrying out of the authorised project in accordance with a notice served under section 60 (control of noise on construction site), or a consent given under section 61 (prior consent for work on construction site) or 65 (noise exceeding registered level), or the Control of Pollution Act 1974(29); or</p> <p>is a consequence of the construction, maintenance or decommissioning of the authorised project and that it cannot reasonably be avoided; or</p> <p>the defendant shows that the nuisance—</p> <p>relates to premises used by the undertaker for the purposes of or in connection with the use of the authorised project and that the nuisance is attributable to the use of the authorised project which is being used in compliance with requirement 21 (control of noise during the operational phase); or</p> <p>is a consequence of the use of the authorised project and that it cannot reasonably be avoided.</p> <p>Section 61(9) (consent for work on construction site to include statement that it does not of itself constitute a defence to proceedings under section 82 of the Environmental Protection Act 1990) of the control of Pollution Act 1974 and section 65(8) of that Act (corresponding provision in relation to consent for registered noise level to be exceeded), do <u>does</u> not apply where the consent relates to the use of premises by the undertaker for purposes of or in connection</p>	

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
			with the construction, maintenance or decommissioning of the authorised project.	
Article 8	Applicant	Amended in response to First Written Question DCO.1.10	<p>Street works</p> <p>8.—(1) The undertaker may, for the purposes of the authorised project, enter on so much of any of the streets specified in Schedule 2 (streets subject to street works) as is within the Order limits and may—</p> <ul style="list-style-type: none"> (a) break up or open the street, or any sewer, drain or tunnel <u>within or</u> under it; (b) tunnel or bore under the street; (c) place <u>and keep</u> apparatus in the street; (d) maintain apparatus in the street or change its position; and (e) execute any works required for or incidental to any works referred to in sub-paragraphs (a) to (d). <p>(2) The authority given by paragraph (1) is a statutory right for the purposes of sections 48(3) (streets, street works and undertakers) and 51(1) (prohibition of unauthorised street works) of the 1991 Act.</p> <p>(3) In this article “apparatus” has the same meaning as in Part 3 (street works in England and Wales) of the 1991 Act.</p>	Deadline 2
Article 10	ERYC	As a result of ISH1	<p>Temporary stopping up of streets and public rights of way</p> <p>10(7) – If a street authority fails to notify the undertaker of its decision within 28<u>56</u> days of receiving an application for consent under paragraph (5)(b) that street authority is deemed to have granted consent.</p>	Deadline 3
Article 12	ERYC	As a result of ISH1	<p>Access to Works</p> <p>12(2) – If the relevant planning authority fails to notify the undertaker of its decision within 28<u>56</u> days of receiving an application for approval under paragraph (1)(b) that relevant planning authority is deemed to have granted approval.</p>	Deadline 3

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
Article 15	ERYC	As a result of ISH1	<p>Discharge of Water</p> <p>15(9) If a person who receives an application for consent or approval fails to notify the undertaker of a decision within two months <u>56 days</u> of receiving an application for consent under paragraph (3) or approval under paragraph (4)(a) that person is deemed to have granted consent or given approval, as the case may be.</p>	Deadline 3
Article 17	ERYC	As a result of ISH1	<p>Authority to survey and investigate the land onshore</p> <p>17(6) – If either a highway authority or a street authority which receives an application for consent fails to notify the undertaker of its decision within 28 <u>56</u> days of receiving the application for consent—</p> <ul style="list-style-type: none"> (a) under paragraph (4)(c) in the case of a highway authority; or (b) under paragraph (4)(d) in the case of a street authority; <p>that authority is deemed to have granted consent.</p>	Deadline 3
Article 39	MMO	<p>MMO Comment:</p> <p>2.3.4: Part 7 Article 39.—(1) “Any difference under any provision of this Order, unless otherwise provided for, shall be referred to and settled in arbitration in accordance with the rules at Schedule 14 of this Order, by a single arbitrator to be agreed upon by the parties, within 14 days of receipt of the notice of arbitration, or if the parties</p>	<p>Arbitration</p> <p>— Any <u>Subject to article 42 (saving provisions for Trinity House), any</u> difference under any provision of this Order, unless otherwise provided for, must be referred to and settled in arbitration in accordance with the rules at Schedule 14 of this Order, by a single arbitrator to be agreed upon by the parties, within 14 days of receipt of the notice of arbitration, or if the parties fail to agree within the time period stipulated, to be appointed on application of either party (after giving written notice to the other) by the Secretary of State.</p> <p>For the avoidance of doubt, any matter for which the consent or approval of the Secretary of State or the Marine Management Organisation is required under any provision of this Order will not be subject to arbitration.</p>	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
		<p>fail to agree within the time period stipulated, to be appointed on application of either party (after giving written notice to the other) by the Secretary of State."</p> <p>The MMO believes that this condition should be updated to include the following wording at the start: "Subject to article 42 (saving provisions for Trinity House) any difference..."</p>		
Article 40	Applicant	Amended in response to First Written Question DCO.1.19	<p>Requirements, appeals, etc.</p> <p>40. —(1) Subsection (1) of section 78 (right to appeal against planning decisions and failure to take such decision) of the 1990 Act applies to the development consent granted by this Order and to the requirements except that it is modified so as to read for the purposes of this Order only as follows—</p> <p>(c) (a) —after "local planning authority" insert "or Secretary of State";</p> <p><u>40.—(1) Where an application is made to, or a request is made of, the relevant planning authority or any other relevant person for any agreement or approval required or contemplated by any of the provisions of this Order, such agreement or approval must, if given, be given in writing and must not be unreasonably withheld or delayed.</u></p>	Deadline 2

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
			<p>(2) Part 4 of Schedule 1 (procedure for discharge of requirements has effect in relation to all agreements or approvals granted, refused or withheld in relation to requirements included in Part 3 of that Schedule.</p> <p>(b) — after subsection (b) insert the following— refuse or fails to determine an application for any consent, agreement or approval of that authority required by a requirement imposed on a grant of development consent or contained in a development consent order, or grant it subject to conditions; or;</p> <p>(c) — after Sub-section (1), insert the following— (1A) Where the appeal under subsection (1) relates to a decision by the Secretary of State, the appeal shall be decided by a Secretary of State who would not be responsible for determining an application for development consent with the subject matter of the Hornsea Four Offshore Wind Farm Order 202[] if section 103(1) of the 2008 Act applied.;</p> <p>(2) — Sections 78 and 79 (determination of appeals) of the 1990 Act have effect in relation to any appeal under the terms of this article except that the Secretary of State in question is the Secretary of State who would be responsible for determining an application for development consent with the subject matter of this Order if section 103(1) of the 2008 Act applied.</p> <p>(3) — The terms of any development order, and other rules and regulations which apply to applications pursuant to conditions or the subject matter of section 78 of the 1990 Act apply, insofar as they are not inconsistent with the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 and any other orders, rules or regulations made under the 2008 Act, to any application or appeal made under the requirements specified in paragraph (1).</p>	
Article 49	Applicant	Added to give effect to new Schedule 16	<p>Compensation provisions Schedule 16 (compensation to protect the coherence of the national site network) has effect.</p>	Deadline 1

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to
Schedule 1, Part 1, paragraph 1	Applicant	Amended for clarity	<p>Work No. 5— works consisting of— up to six cable circuits and associated electrical circuit ducts between Work No. 2 and Work No. 6; <u>and</u> (e) up to eight horizontal directional drilling exit pits, unless Work No. 2(f) is constructed; and up to eight horizontal directional drilling launch pits; In the East Riding of Yorkshire</p> <p>Work No. 6— connection works consisting of — up to eight horizontal directional drilling launch pits; (a) up to six underground cable circuits and associated electrical circuit ducts to Work No. 7; (b) up to eight transition joint bays; (c) onshore construction works; (d) up to 240 link boxes; and (e) up to 240 joint bays;</p> <p>Work No. 7— connection works consisting of— an onshore HVDC/HVAC substation; an energy balancing infrastructure; up to six cable circuits and electrical circuit ducts; vehicular access tracks and footpaths; a water attenuation feature; landscaping; and onshore construction works;</p>	Deadline 1
Schedule 1, Part 1, paragraph 1	MMO	MMO Comment: 2.2.20: "(3) All distances, directions, capacities and lengths referred to in this Order are approximate and distances between points on	In connection with such Work Nos. 1 to 5 and to the extent that they do not otherwise form part of any such work, further associated development comprising such other works as may be necessary or expedient for the purposes of or in connection with the relevant part of the authorised development and which fall within the scope of the work assessed by the environmental statement, including—	Deadline 1

			<p><u>must</u> appoint an arbitrator within 28<u>14</u> days of the delivery of a notice of arbitration, then upon application the Secretary of State will appoint an arbitrator within 28 days. At any time prior to the appointment by the Secretary of State the parties may make an appointment;</p> <p>(d) (b)unless otherwise agreed between <u>the Secretary of State</u>, the undertaker and the licensee, the arbitrator shall be a person (including one who has retired) with not less than fifteen years' aviation, radar or shipping and marine navigation, experience (as applicable) associated with a combination of offshore oil and gas development and offshore wind farm development or as a lawyer or other professional advisor serving those industries and having that experience;</p> <p>(e) (e)the arbitrator should make a <u>recommendation to the Secretary of State as to the determination of the matters in dispute</u> within 3 months<u>1 month</u> of appointment; and</p> <p>(f) (d)the seat of <u>Secretary of State must determine the</u> arbitration shall be London within 1 month of receiving the recommendation of the arbitrator; and</p> <p>(g) <u>when determining the arbitration the Secretary of State must:</u></p> <ul style="list-style-type: none"> (i) <u>have regard to the recommendation of the arbitrator, but may reach an alternative view; and</u> (ii) <u>give reasons for the determination.</u> 	
Schedule 9, Part 8, paragraph 12	Applicant	Updated following ISH1	Without prejudice to any other rights or obligations under this Part of the Schedule the licensee and the undertaker shall from time to time keep each other informed of relevant activities such that the licensee and the undertaker may seek to agree solutions to allow the undertaker's works and the licensee's works to successfully co-exist as far as reasonably practicable or if later until completion of activities required under any post-closure plan required under The Storage of Carbon Dioxide (Licensing, etc.) Regulations 2010 in relation to the licence and taking place within the area subject to the licence.	Deadline 3
Schedule 9, Part 9	Applicant	Included pending progression of commercial discussions	<p><u>PART 9</u></p> <p><u>FOR THE PROTECTION OF NEO ENERGY (SNS) LIMITED</u></p>	Deadline 3

Application

1. For the protection of the licensee from time to time of United Kingdom Petroleum Production Licence P.456 Block 48/2a, unless otherwise agreed in writing between the undertaker and the licensee the provisions of this part of this Schedule shall have effect for so long as the licence shall remain in full force and effect.

2. In the event that the licence is terminated and no longer has effect, the obligations on the undertaker in this Schedule shall no longer have effect in so far as they relate to the licensee's works under the terminated licence(s).

Interpretation

3. In this part of this schedule-

“licence” means United Kingdom Petroleum Production Licence P.456 Block 48/2a;

“licensee” means the licensee from time to time of the licence;

“ministerial statement” means the written statement given by the Secretary of State for Energy and Climate Change to the UK Parliament regarding Crown Estate Leases for Offshore Renewables Projects on 12 July 2011, or any similar supplementary or replacement policy;

“the Neo protective provisions plan” means the plan entitled Neo protective provisions plan and certified as the Neo protective provisions plan for the purposes of this part of this schedule;

“restricted area” means the spherical area of seabed having a radius of 2.7 nautical miles from [] Easting, [] Northing that point being the centre of the existing Babbage platform in licence P.456 Block 48/2a operated by the licensee shown delineated [] on the Neo protective provisions plan;

“relevant activities” means all development activity relating to the carrying on of the undertaker's and licensee's businesses within, or adjacent to the restricted area, including (but not limited to) the preparation of development proposals, the submission of applications for statutory consents associated with those proposals and consultation in respect thereof, the acquisition of or application for new licence oil or gas blocks;

Restriction on authorised development

Change Location	Change Requested by	Rationale for Change	Summary of Change	Version of Document Changes relevant to										
			<p>4. <u>No wind turbine generator shall be erected in the restricted area, unless otherwise agreed in writing between the licensee and the undertaker.</u></p> <p><u>Provision of information</u></p> <p>5. <u>Without prejudice to any other rights or obligations under this part of this schedule the licensee and the undertaker shall from time to time keep each other informed of relevant activities such that the licensee and the undertaker may seek to agree solutions to allow those activities to successfully co-exist as far as reasonably practicable or if later until completion of activities required under any statutory decommissioning plan required under the Petroleum Act 1998 in relation to the licence and taking place within the areas subject to the licence.</u></p> <p><u>Compensation</u></p> <p>6. <u>Nothing in this part of this schedule shall affect any rights or obligations or assessment of compensation in accordance with the ministerial statement and the associated guidance.</u></p>
