**Hornsea Project Four Offshore Wind Farm  
Deadline 4 submissions on the draft Development Consent Order  
[REP3-007] (“the Draft DCO”)**

Dear Sir / Madam

We refer to the above application for development consent.

At action point 10 of the Hearing Action Points arising from Issue Specific Hearing 3 held on Tuesday 26 April 2022 [EV-011a], Trinity House was requested to submit comments on the Draft DCO and to confirm whether this version addresses its concerns.

Trinity House has now reviewed the Draft DCO, including the deemed marine licences, and is content that the changes made to that version by the Applicant at Deadline 3 address the matters raised by Trinity House in its submissions at Deadline 2 [see REP2-094].

Trinity House will continue to keep further iterations of the draft DCO under review as the examination progresses and will, where necessary, provide comments on the drafting against future deadlines.

We trust that this submission is of assistance and would ask that all correspondence regarding this matter is addressed to myself at [REDACTED]@trinityhouse.co.uk and to Mr Steve Vanstone at navigation@trinityhouse.co.uk

Yours faithfully,

[REDACTED]
