The Applicant has been in liaison with Mrs Morean and Messrs Peter, Patrick, and Paul Plewes on an individual basis since June 2018. The Applicant has continued to communicate with the landowners and their representatives in order to agree a voluntary access only agreement. Negotiations are ongoing with the landowners and their representative, Mr Tom Julian of Ulyyotts (Rural) Limited, in relation to Access Only Heads of Terms with a view to finalising the terms and concluding a Voluntary Agreement in the coming months.

Plot Numbers	Land Interest	Reason for acquisition or temporary use	Status of Negotiations
			<p>Numerous meetings and discussions around the Access Only Heads of Terms have taken place. Mr Julian, on behalf of the landowners, has two main concerns regarding the use of the access, which are:</p> <ol style="list-style-type: none"> 1) The possibility of restricted access and use of Brigham Bridge. 2) The ongoing maintenance of the access and Brigham Bridge. <p>The Applicant considers that these concerns can be addressed using appropriate construction and engineering measures, which are used routinely in the industry. Such measures can minimise disruption and mitigate losses. In addition, compensation for any loss or damage will be paid by the Applicant.</p> <p>The Applicant remains willing to discuss these matters in order to reach agreement. The Applicant is confident that a voluntary agreement will be entered into prior to the close of the Examination.</p> <p>Update for Deadline 2:</p> <p>The Applicant has agreed principal Heads of Terms with the landowners and their representative and draft legal agreements were sent to the legal representatives of the landowners on 10th February 2022. The landowners' representative confirmed on 9th March 2022 that the drafts appear acceptable subject to minor adjustments in the drafting. Discussions are currently ongoing between the legal representatives of the Applicant and the landowners to finalise the drafts for signature.</p> <p>Estimated timescale for completion: prior to the close of the Examination.</p> <p><u>Update for Deadline 4:</u></p> <p><u>Draft legal documents have now been finalised and are with the landowners' legal representative for completion.</u></p>

148 , 149 , 150 , 151	Janet Goatley and Philip Goatley (Landowner)	New rights and the imposition of restrictions for the onshore export cable route.	The Applicant has been in discussions with Mr and Ms Goatley since June 2018. The Applicant has continued to communicate with the landowners and their representatives in order to agree a voluntary agreement. - The Applicant has agreed principal Head of Terms with Mr & Mrs Goatley however the Applicant has yet to conclude a voluntary agreement with them. - The land through which the cables are proposed to be laid is a section of publicly adopted highway which abuts their house and is in their ownership. - Negotiations are ongoing and the Applicant remains willing to discuss these matters in order to reach agreement.

Plot Numbers	Land Interest	Reason for acquisition or temporary use	Status of Negotiations
			<p>Update for Deadline 2:</p> <p>It is understood that Mr and Mrs Goatley have agreed the sale of their land holding to the East Riding of Yorkshire Council, and planning permission for a change of use of the property was granted on 7th February 2022. Due to this change of circumstances, Mr and Mrs Goatley's representative advised on 7th March 2022 that, as of that date, Mr and Mrs Goatley do not feel it is necessary to continue discussions around the Heads of Terms and proposed voluntary agreement.</p> <p>The Applicant is in contact with the prospective purchaser, the East Riding of Yorkshire Council, and it is understood that the sale of the land holding is likely to complete in April 2022. The Applicant is confident that a voluntary agreement with the new owners of the land will be entered into prior to the close of the Examination.</p> <p>Estimated timescale for completion: prior to the close of the Examination.</p>
