Dear Sirs

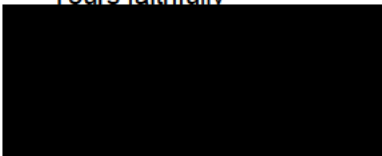

HORNSEA PROJECT 4: ORSTED
OUR CLIENTS: W E FOREMAN & SON/C FOREMAN
REGISTRATION IDENTIFICATION NUMBER: 20029903

Further to our previous correspondence, we act for the above clients and write to provide an update in respect of my client's desire to make representations regarding the proposed scheme.

Following discussion and negotiation with the developer's project team, my client's concerns have hopefully now been addressed and they entered into Option Agreements on the 3rd May 2022, granting Orsted Hornsea Project Four Ltd the required voluntary rights to install cables through their land. I therefore write to formally withdraw the representations made on behalf of our clients in respect of this Project.

Hopefully this provides the necessary information required but do please contact me if you require any further clarification.

Yours faithfully
