Planning Act 2008**Application for the Hornsea Four Offshore Wind Farm Order (Ref: EN010098)****Joint Notification made by the Applicant and Perenco UK Limited pertaining to the Microwave Link and the Radar Early Warning System (REWS)**

1. This joint notification is made by Orsted Hornsea Project Four Limited (the "Applicant"), and Perenco UK Limited, pursuant to the joint statement dated 4th July 2022 made by the same parties to the Examining Authority submitted at Deadline 5a (the "Joint Statement").
2. The Joint Statement explained that the parties were negotiating the terms of draft Commercial Agreements relating to the Microwave Link and REWS (the "Agreements").
3. The Applicant and Perenco UK Limited each confirm that: (a) the Agreements were entered into on 14th July 2022; (b) their interests are protected; and (c) the protective provisions proposed by the parties relating to the Microwave Link and REWS during the Examination of this DCO application to address Perenco UK Limiteds concerns are not required.
4. Accordingly, the Applicant and Perenco UK Limited each request that the Examining Authority remove any relevant protective provisions relating to the Microwave Link and REWS which they may recommend are included in the DCO.
