Dear Sirs,

We act for National Grid Electricity Transmission Plc (“NGET”) and National Grid Gas Plc (“NGG”)

We hope that we have now reached a compromise position which would enable NGET/NGG and the promoter to submit agreed Protective Provisions at deadline 7 and avoid the need for ExA to have to determine between different sets of PP’s. However we still await final sign off/confirmation from the Promoters solicitors that this is all agreed at this point in time.

Accordingly we are not intending to submit Protective Provisions in NGET/NGG’s preferred format at Deadline 6 because we hope we are now able to submit agreed ones at Deadline 7.

Kind regards

Abigail
