### Planning Act 2008

#### Application for the Hornsea Four Offshore Wind Farm Order (Ref: EN010098)

#### Joint Notification made by the Applicant and Perenco UK Limited pertaining to Helicopter Access

1. This joint notification is made by Orsted Hornsea Project Four Limited (the "Applicant"), and Perenco UK Limited, following their respective submissions pertaining to this interface.
2. The most recent update submitted at Deadline 7 [G6.18 Applicants Schedule of Side Agreements \(REP7-081\)](#) explained that the parties were negotiating the terms of a draft Commercial Agreement relating to Helicopter Access (the "Agreement").
3. The Applicant and Perenco UK Limited each confirm that: (a) the Agreement was entered into on 16th August 2022; (b) their interests are protected; and (c) the protective provisions proposed by the parties relating to Helicopter Access during the Examination of this DCO application to address Perenco UK Limiteds concerns are not required.
4. Accordingly, the Applicant and Perenco UK Limited each request that the Examining Authority remove any remaining protective provisions included in the DCO.
