Dear Sir/Madam

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rules 8(3), 9 and 17

Application by INRG Solar (Little Crow) Limited for an Order Granting Development Consent for the Little Crow solar park Project

Notice of variation of Examination Timetable under Rule 8(3)

I write to provide notification that the Examining Authority (ExA) has made Procedural Decisions to vary the Examination Timetable in the following respects:

- 1) **Item 7, Deadline 3** – the day of the week for this deadline was incorrectly stated as Friday in Annex A of the Rule 8 Letter of 27 April 2021 [PD-006]. The day of the week has therefore been amended to Monday 7 June 2021 in the updated timetable in red at Annex A below.
- 2) **Item 12, Issue by the ExA of: Notification of Hearings to be held 9/10 September 2021 (if required)** – the date for this notification was incorrectly stated as being Monday 9 August 2021 in Annex A of the Rule 8 Letter of 27 April 2021 [PD-006]. The date for the ExA's notification of any hearings held in September 2021 has been amended to Monday 16 August 2021 in the updated timetable in red at Annex A below.

Requests for further information under Rule 17

For the Applicant: With respect to Work No.5 listed in Schedule 1 of the draft Development Consent Order [APP-045] and shown on the proposed Works Plan [APP-013], please explain:

- i. What works are intended for land parcels 1/1 and 1/2 [AS-002], insofar as those works within land parcels 1/1 and 1/2 would affect the adopted highway.

- ii. Whether the works concerning land parcels 1/1 and 1/2 that form part of the adopted highway could be undertaken without the need for any compulsory acquisition and/or temporary possession powers being sought as part of any made Development Consent Order.

For the Applicant: The first bullet point in paragraph 4.7 of the Explanatory Memorandum [APP-046] refers to some slithers of land with the Order Limits as being unregistered. Please identify on a land plan or plans which parts of the Order Limits are unregistered and advise when the registration for the affected land is expected to be completed.

The Applicant should reply to these requests for information by **Deadline 2**, namely Monday 24 May 2021.

Yours faithfully

Grahame Gould

Publication dates

All information received will be published on the project page of the National Infrastructure Planning website as soon as practicable after each deadline for submissions.

Hearing agendas

We will aim to publish a draft agenda for each hearing on the project page of the National Infrastructure Planning website at least five working days in advance of the hearing date. The actual agenda on the day of each hearing may be subject to change at the discretion of the ExA.

Report on the Implications for European Sites

Where the Applicant has provided a No Significant Effects Report or a Habitats Regulations Assessment (HRA) Report with the DCO application, the ExA may decide to issue a Report on the Implication for European Sites (RIES) during the Examination. The RIES is a factual account of the information and evidence provided to the ExA on HRA matters during the Examination up to the date of the publication of the RIES, for the purposes of enabling the Secretary of State, as competent authority, to undertake its HRA. It is not the ExA's opinion on HRA matters. Comments on the RIES will be invited by the ExA and any received will be taken into account as part of the ExA's Recommendation to the relevant Secretary of State.

The Secretary of State may rely on the consultation on the RIES to meet its obligations under Regulation 63(3) of the Habitats Regulations¹ and/ or Regulation 28 of the Offshore Marine Regulation
