Dear Sir

Planning Act 2008 - Application for Development Consent

INRG Solar (Little Crow) Ltd

The Proposed Little Crow Solar Park Order

Application Reference – EN010101

I write on behalf of INRG Solar (Little Crow) Limited (“the Applicant”) in respect of the application for Little Crow Solar Park Development Consent Order. The Examining Authority issued a Recommendation Report to the Secretary of State on 05 January 2022 in respect of the application.

The application refers in a number of places to the Applicant being a wholly owned subsidiary of INRG Solar Limited. Until 1 March 2022, INRG Solar Limited owned 100% of the shares in INRG Solar (Little Crow) Limited. The directors of INRG Solar Limited, Mr Tom Harlow and Mr Ian Gannon recently decided to transfer 50% of the shares in INRG Solar (Little Crow) Limited to a private company wholly owned by Mr. Tom Harlow and the remaining 50% to a private company wholly owned by Mr. Ian Gannon. This transfer has now been completed and the shares transferred.

Both Mr. Harlow and Mr. Gannon have been the principles of INRG Solar (Little Crow) Limited since its incorporation and will continue in that role. Whilst the Applicant is drawing this to the attention of the Secretary of State and has copied in the Examining Authority, it does not believe that it has any material implication for the consideration of the application, particularly as the Order does not seek any compulsory purchase powers.

If you have any queries concerning this information or you would like any further details please contact Kee Evans on the details set out above.

Yours faithfully
